2018 Two Foundation Job Readiness Camp

Two is better than one.

ABOUT THE TWO FOUNDATION

The Two Foundation serves individuals 16 years of age and older who have mild to moderate exceptionalities that may limit their capacity to obtain or maintain a job. We exist to fill a gap in our society where our clients are left without appropriate jobs/careers upon completion of high school.

Two provides support for the individual and their family as we walk through the process of job training and job placement. We do our best to match each person to a job that they will be successful at from a list of business partners Two has established.

What will your camper leave with?

Resume:

Campers will complete their personal profiles and create their resume.

Workplace Experience:

We love sharing our business partners with our campers as well as introduce them to our “Two” grads who are successfully working in the community.

Handmade Crafts:

While the campers learn about manufacturing, merchandising, marketing, and selling, they will produce items of their own.

T-Shirt:

All campers will be given a Two Café t-shirt. To wear on the final day of camp while participating in the end of camp picnic.
