## 2018 Two Foundation Job Readiness Camp

# Two is better than one.

## ABOUT THE TWO FOUNDATION

The Two Foundation serves individuals 16 years of age and older who have mild to moderate exceptionalities that may limit their capacity to obtain or maintain a job. We exist to fill a gap in our society where our clients are left without appropriate jobs/careers upon completion of high school.

Two provides support for the client and their family as we walk through the process of job training and job placement. We do our best to match each client to a job that they will be successful at from a list of business partners Two has established.

## HOW TO REGISTER FOR CAMP

## What will your camper leave with?

### *Resume:*

Campers will complete their personal profiles and while working closely with one of our camp counselors enough information will be provided to have their resume completed.

### *Workplace Experience:*

We love sharing with the campers who our business partners are as well as introducing campers to past jobseekers who have been placed into a local workforce.

### *Handmade Crafts:*

While the campers learn about manufacturing and merchandizing, they will produce items of their own and the last day of camp they will take them home with them.

### *T-Shirt:*

All campers will be given a Two Café t-shirt. We will have them wear them on the final day of camp while participating in the end of camp picnic.
